

Heeey... **\$NAME?**

This is Ștefan from **\$COMPANY**, it looks like you've downloaded our guide, about... possible help with starting trading futures, is that right?

YES → Cool, listen I've got 10–15 minutes here, reason for the call is just to get an understanding of where you're at, where you wanna be and if I think I can help, I can point you in the right direction, sounds good? → **INTENT**

FORGOT → No worries, happens all the time. It was on **\$BENEFIT** — is that something you're actually looking into right now?

Cool, listen I've got 10–15 minutes here, reason for the call is just to get an understanding of where you're at, where you wanna be and if I think I can help, I can point you in the right direction, sounds good?

INTENT

Okay, so tell me man, what had you interested in **trading** in the first place?

PAST EXPERIENCE (right away or do NOT ask at all)

"INCONSISTENT" → **PAST EXPERIENCE**

"I CAN'T DO IT MYSELF" → **PAST EXPERIENCE**

"MONEY" → Sure, everyone wants to make more money, but why do you want to make more money right now? → **GOAL**

"FREEDOM" → Yeah, I hear you. Freedom can mean different things to different people. When you say freedom, what would that actually look like for you in your work or day-to-day life? → **GOAL**

"GET OUT OF THE JOB" → **CURRENT SITUATION**

GOAL

So how much would you need to make in order for this to be worth your time?

EARLY IMPACT (if it fits the conversation)

Why is that important to you, now though?

What would that allow you to do, (that you can't do right now)?

CURRENT SITUATION

What do you do for a living?

How do you feel about that job?

How much do you work?

How long have you been in this job?
What makes you want to get out now?
How much are you making a month? Is that before or after tax?

Okay so basically your main goal is to **\$REAL GOAL** is that right?

TIMELINE

How long have you looked into trading?

SHORT TIME → Props to you for taking action so quickly → **WHAT GOT IN THEIR WAY?**

LONG TIME → Have you started **trading**? How come? I mean after **\$LONG TIME** → **WHAT GOT IN THEIR WAY?**

WHAT GOT IN THEIR WAY?

What actually got in the way, in terms of actually starting?
What do you feel stopped in terms of actually taking the real step?

SHOW THE GAP

So from what I understand, you are in **\$CURRENT SITUATION** and want to get to **\$DESIRE SITUATION**, and the thing stopping you is **\$PROBLEM**, correct?

WANT TO CHANGE? // COMMITMENT // URGENCY

And you told me that you want **\$REAL GOAL** ... are you actually committed to making this happen now?

FINANCIALLY QUALIFICATION

Great, and if there was a way to actually get you to your goals, would you be ready to invest in yourself, if that's what it took?

This is obviously not a \$50 course, it's a real mentorship, we have different programs based on where you start, how much you have, how much support you need and so on, with that said, how much would you say you have set aside in order to actually invest in yourself, get the skills in order to get to **\$DESIRE SITUATION? (if financially qualified) → PITCH**

PRICE? → Yeah, I was not trained on pricing, reason for that is because we have different programs and I still don't know too much to tell which program is the right

one, so even if I knew, it would be a disservice to you quoting a price for the wrong program → **PITCH**

PITCH

Good — here's what I can do for you, I can connect you with **\$CLOSER, \$CLOSER TITLE**.

He'll get a bit more in depth about yourself, see where you want to get you, and if he thinks it's a fit, he'll walk you through what that looks like. Sounds good?

SCHEDULE & LOCK DETAILS

Great, let me see if we still got slots available, are you available tomorrow or **\$2 DAY FROM NOW?**

What works best, in the morning or evening?

\$TIME #1 or **\$TIME #2**, which works best?

Locked in for **\$TIME & DATE**.

What's your best email for the call details?

Is this number good for a reminder text?

You're locked in — I'll give you a moment to check your email right now to make sure you got it and accept the invitation?

COMMITMENT TO SHOW UP

Great, and if for some reason you can't make it or life gets in the way, just message me and we can reschedule, yeah?

I'll send you some videos that fit your situation, make sure you watch them, find a quiet space for taking the call, on a computer, **\$CLOSER** will break it all down on the call aaand you two figure out if it's a fit. Cool?

Amazing brother, stay blessed and take care!
